

***Congress of the Collegamento Svizzero in Italia: Palermo 17-19 May:
Start-up, entrepreneurship, enchanting Palermo and the first Swiss astronaut!***

Dear Young Swiss National,

It is with great pleasure that I invite you to the Congress of the Swiss Connection in Italy that will take place May 17-19, 2019 in beautiful Palermo.

This will be the first Congress organized jointly by the Unione Giovani Svizzeri (UGS) and the Youth Parliament of the Swiss Abroad (YPSA), and you will want to attend because it is the first Congress of the Swiss Connection that will focus on us young people!

The common thread will be youth entrepreneurship and start-ups in the spirit of training and preparation for professional employment.

The biggest surprise of this Congress is that the first Swiss astronaut and Professor of EPFL of Lausanne Claude Nicollier, will be a guest speaker!

Finally, on Saturday morning you will have an opportunity for unique professional development through the Junior Enterprise of Genève and Polytechnic of Turin with a workshop to test and improve your entrepreneurial skills in a fun and innovative way.

As always there will be plenty of fun and flavor, the extraordinary natural beauty, the architecture and the delicious food will enchant any tourist in visiting the city of Palermo
Palermo is also easy to reach through low cost companies direct flights from many European cities and capitals (starting from 40 euros).

Just register by visiting our Facebook page "Youth parliament of the swiss abroad", Instagram: @ypsa_switzerland where you will find a complete schedule with the registration link, or go to the website: www.collegamentosvizzero2019.com
