

Covid-19 pandemic – Rules of conduct while visiting the Embassy of Switzerland

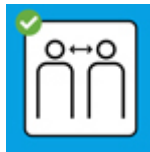

Update: 29/09/2020

The following distance and hygiene instructions must be respected when entering the building of the Swiss Embassy.

The aim of the measures is to protect visitors and staff from infection with the novel coronavirus. To protect yourself and the others, the following recommendations and measures **MUST** be followed by all those who are in the Embassy building:

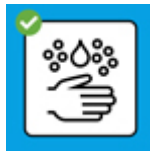

Masks are compulsory in all spaces of the Embassy.

Keep your distance.

Don't shake hands.

Disinfect your hands.

On arrival, please disinfect your hands with the available sanitizers.
